## CHC30102 CERTIFICATE III IN AGED CARE

Workers in this occupational group work primarily in residential facilities under direct or regular supervision within clearly defined organisational guidelines and service plans. These workers carry out activities related to the maintenance of an individual's personal care and/or other activities of living. These workers report directly to a supervisor and are not responsible for other workers.

13 units must be selected for the following qualification including 9 core units and 4 elective units

CHCAC3C	Orientation to aged care work
CHCCS405A	Work effectively with culturally diverse clients and co-workers
CHCINF8B	Comply with information requirements of the aged care and community care sectors
CHCORG3B	Participate in the work environment
CHCAC1C	Provide support to an older person
CHCAC2C	Provide personal care
CHCAC6C	Support the older person to meet their emotional and psychosocial needs
CHCAC15A	Provide care support which is responsive to the specific nature of dementia
HLTCSD306B	Respond effectively to difficult or challenging behaviour
CHCCOM2B	Communicate appropriately with clients and colleagues
CHCOHS302A	Participate in safety procedures for direct care work
HLTFA301B	Apply first aid
CHCCS301A	Work within a legal and ethical framework
HLTIN301A	Comply with infection control policies and procedures in health work

## CHC40102 CERTIFICATE IV IN AGED CARE

Workers in these occupational groups work in residential facilities within defined organisational guidelines and service plans. These workers carry out activities related to the maintenance of an individual's wellbeing through personal care and/or other activities of living. These workers may provide services to individuals with complex needs, and/or work with groups of older people. Work may include training and support to promote independence and community participation. This may be provided as part of activities and programs in a variety of settings including residential and centre-based programs. These workers report to service managers and co-providers. Workers may be required to supervise and/or co-ordinate a limited number of other workers.

14 units must be selected for the following qualification including: 11 core units and 3 elective units

CHCAC12C	Provide service to an old person with complex needs
CHCAC6C	Support the older person to meet their emotional and psychosocial needs
CHCAC7C	Plan and monitor service delivery plans
CHCADMIN3B	Undertake administrative work
CHCCOM3C	Utilize specialist communication skills to build strong relationships
CHCCS2C	Deliver and develop client services
CHCCS301A	Work within a legal and ethical framework
CHCGROUP3C	Plan and conduct group activities
CHCINF2B	Maintain organisations information systems
CHCOHS401A	Implement and monitor OHS policies and procedures for a workplace
CHCORG5B	Maintain an effective work environment
CHCAC15A	Provide care support which is responsive to the specific nature of dementia
CHCCS304A	Assist with self medication
CHCCS303A	Provide physical assistance with medication.
